

Privacy Policy

Guillaume Donzeau built the Bluetooth for Arduino app as a Free app. This service is provided by Guillaume Donzeau at no cost and is intended for use as is.

This page is used to inform visitors regarding my policies with the collection, use, and disclosure of Personal Information if anyone decided to use my service.

If you choose to use my service, then you agree with the collection and use of information in relation with this policy. Personal informations collected are used for providing and improving the service. I will not use or share your informations with anyone except as described in this Privacy Policy.

Information Collection and Use

The app does not collect any personally identifiable information.

The app does not use third party services that may collect informations used to identify you.

Cookies

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device's internal memory. This Service does not use these "cookies" explicitly.

Service Providers

I do not employ third-party companies and individuals

Security

I value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and I cannot guarantee its absolute security.

Links to Other Sites

This Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by me. Therefore, I strongly advise you to review the Privacy Policy of these websites. I have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

Changes to This Privacy Policy

I may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. I will notify you of any changes

by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.
